ABOUT ME

I am a highly motivated and results-oriented professional, I bring a unique blend of technical expertise, leadership experience, and strong communication skills to the table. I am committed to pursuing challenging opportunities that allow me to utilize my skills to their fullest potential. My goal is to continue growing both professionally and personally, while making a positive impact on the organizations I work with.

WORK EXPERIENCE

May-July 2023

Igire Rwanda

During our final project of shecancode program, I had an honor to serve as a leader of our project. This significant responsibility provided me with invaluable opportunities to cultivate my skills in team management and effective communication amidst a considerable number of team members. This experience has also instilled in me the confidence to interact and cooperate with individuals from diverse backgrounds.
